Last April 19, 2018 at 6 pm, at the Woosong University West Campus Student Cafeteria, the 24th General Student Association LAON hosted an event for the students, entitled, "Do You Want to Have Dinner Together?". Since the Midterm Examinations will be scheduled the following week, it has been observed that more and more students have been staying late just to review for the examinations. The General Student Association attempted to assist Woosong University students by providing free dinner for a few lucky students. An announcement about this event was posted via the Facebook page of the 24th LAON Student Association of Woosong University at on April 18 at 4:00 p.m., the day prior to the event.

The exact location was published 20 minutes before the event started and the dinner menu consisted of a Lotteria Hamburger and a bottle of Coke. In order to participate in the event, the student had to show his/her WSU student ID card or a mobile student identification card, to the union officers and then affix his/her signature. This event was open only to students who have paid his/her student membership fees. The event finished in five minutes. I hope that this activity will be able to help all Woosong University college students preparing for their examinations, and hopefully, have good results in the mid-term examinations.
